

Relating with our Relational God is a series of enrichment workshops that will foster multidimensional spiritual growth, expanding your capacity to lead an overcoming and fruitful life. You will gain strengthened spiritual vision and learn how to engage with God in a dynamic and refreshing way.

You will see unfolding the framework that the 1st century believers

possessed that strengthened their faith and brought dynamic growth.

Several paradigms are discussed to foster a way of relating with God within the kind of *multidimensional* framework that Paul understood would help people comprehend the “width and length and depth and height” of God’s love and ways.

1. Being a WHOLE Person Relating with a WHOLE God in a WHOLE Way (3:30)

See how the 1st century believers understood the triune nature of God through dynamic paradigms that provide a strengthening view of God’s multidimensional love and nature, the roles within the Godhead and how each work to strengthen our whole being and relationship with God. We also look at God’s concept of what it means to love God with one’s whole being.

2. Relating with God through Reflective Prayer and Communion (3:00)

Bring your prayer life to a higher dimension by understanding the dynamics of effective prayer immersed in God’s love and a life of devotion; and way of relating with God the way the likes of David, Isaiah and Paul did, and the Lord modeled.

3. Apprehending a Kingdom of God Framework (4:00)

Gain a strengthening view of the framework the 1st century believers possessed that helped them grasp hold of biblical and Kingdom of God patterns, processes and dynamics; and understand deep and wide perspectives of God’s love and truth. We present: a) contrasting perspectives of the Tree of Life and Tree of the Knowledge of Good and Evil from the standpoint of life-sustaining economies; b) various ways of applying the fear of the Lord and active dynamic faith to life; and c) dynamics of the Beatitudes and Sermon on the Mount lifestyle .

4. Understanding the Spirit of God’s Covenant to Realize His Plans, Purposes and Promises (4:30)

First we take a look at how God progressively developed His covenant with mankind; how He leads with love to establish His righteousness and justice in grace and truth to bear fruit of His glory. Then we begin to unravel God’s pattern of Creation, Revelation and Redemption to learn how God relates with us to *expect* Father’s *creative* works; *exercise* around His promises as *revealed* through the Holy Spirit and *experience* the Lord’s Redemption.

5. Relating with God to Come into Alignment and Congruence with God (1:30)

Discover a heavenly paradigm which will help you *overcome conflict* and break free from *constraints* obstructing God’s creative plans and purposes, apprehend truth to come into multidimensional alignment or *congruence* and *conformity* with God and experience greater measures of *capacity* and fruitfulness.

6. Closing Relational Gaps with God (1:00)

See how God relates with us to close relational gaps with Father keeping us from God's intended purposes by revealing His love and truth through the Holy Spirit so we can experience greater measures of our grace gifts in the Lord.

7. Relating with God to Grow in Values, Vision and Virtue (1:45)

See a key paradigm of God's grace in action, working His process of transformation: the Holy Spirit immerses us in God's love and imparts insights that strengthen our *vision*, bringing what was obscure to clarity and what seemed complex to simplicity. In order to do so God brings our *values* into alignment with His. When our values are congruent with God's, we see things we never saw before! The Holy Spirit imparts new and greater measures of the Lord's *virtue*; His love, character and power, producing the genuine fruit of the Spirit.

8. How Peter Related with the Lord and was Transformed (1:15)

This module brings you into the Lord's classroom and sits you next to Peter! See how the Lord ministered the love of the Father and how you—like Peter—can experience dynamic transformation.

9. Relating with Father God as a Child of God (1:30)

The Lord ministered the love of the Father from the standpoint of being a friend to the disciples. He prepared them for their future so they could live the new life in the Holy Spirit. Discover how to be immersed in His nurturing love and care so you too can experience the active dynamic new life in the Spirit.

10. Growing in the Lord's Strength to Bring Honor and Glorify God (3:00)

God fashions *multidimensional* strength and wisdom through the Holy Spirit's manifold attributes and endowments, helping us grow into what Peter describes as the *divine nature*. Discover the many types of strength God seeks to impart in His vessels of honor through insights drawn from Isaiah and Paul. We also draw some insights from the experiences of the children of Israel, having returned to the Promised Land after the Babylonian captivity; and the early church, having experienced the love and ministry of Messiah Jesus.

Overcoming Bondage and Constraint (1:00)

In this section we discuss various issues that restrain spiritual and personal growth, plus provide strategies for overcoming such constraints and breaking through into transformational growth.

Harvey and Linda Diamond have served the Lord in various capacities and in a variety of places including congregational settings, bible schools and home fellowships, locally and abroad. They have been taught by God to come to appreciate the sufficiency of God's amazing grace and know that His strength is made perfect in weakness so that the power and wisdom of Messiah through the Holy Spirit may rest upon them and be reflected through them to others.
